

4. Estimate how much time you can spend working at Rush Ranch (fence maintenance, manure management, pasture maintenance, stalls, caring for the horses, training the horses).
  
5. Are you available during the week or only on weekends to attend staff meetings, volunteer training, assist at events, etc.?
  
6. Are you computer savvy – if so, can you volunteer time at home on the computer? Can you be contacted through emails?
  
7. Do you have experience with any of the following, or know someone you could recruit to join us, as:

- Artist
- Publicist
- Carpenter
- Electrician
- Grant Writer
- Handyman
- Clerical Support
- Events Coordinator
- Vehicle Maintenance
- Development Director
- Fundraising Coordinator
- Bookkeeper or Accountant
- Experience working with youth
- Truck Drivers to haul feed, carriages and horses
- Writers to develop Environmental Education materials
- Groups to construct fences and accessible paths at Rush Ranch
- Creative Writers to supply magazines with articles and to prepare press releases

8. The most effective way to publicize our services and needs is through personal contact with community organizations, agencies and businesses. Would you be willing to contact them?  
 For example:  
     Sponsors or funding  
     Individuals or groups who would like to ride our carriages  
     Short-term volunteers for one event or for one project
